I feel that I deserve an explanation. Were my rights violated? I'm left now without an alternative other than to homeschool my child because of poor administration. I would like to know what is being done about this book being read to the entire class without parental knowledge.

The Sacred Heart School is filled to the maximum capacity for 5th grade this year. I feel that I should be compensated to fulfill my child's educational need. Why is it fair that my child gets left behind because the school feels they need to teach this ridiculous diversity and political propaganda?

I met with the school last week. As with any type of inquiry, we are not able to discuss any actions the department may take.

Know that I have read the book and we are taking appropriate action.

I'm following up with you regarding the emails I sent last week. When will I hear back and what is the resolution going to be with this book being read?

Thank you for refreshing my memory. I know the issue and spoke with the superintendent. Can you give me a call so we can discuss next steps?

Hi Frank,

We spoke in late July regarding a book that I was concerned about. This book was read aloud to my daughter's entire class. It contains matters of BLM, gunshots, violence, gang colors, rioting, looting, sexual matters, and white privilege. I feel that I haven't gotten anywhere with the school administration and the teacher that read this material has not been disciplined for this. Can you please tell me what the next step should be. I brought this up at the school board meeting and the school has done nothing to resolve my problem.

I look forward to hearing from you.
